No WSL Major List guys may participate in Coed recreational.

- **Bat Testing Procedures:**

All bats must be inspected & tested prior to play. If your bat passes inspection & testing, your bat will be given a WSL Holographic sticker. Sticker must be on the bat at all times for the bat to be legal. If sticker falls off, you must have the bat re-inspected and tested, if passed, a new sticker will be issued.

If the bat fails, the bat will be kept until your team's completion of the tournament. The bat will be tagged and you will get a receipt for your bat. You will need this receipt to pick up your bat. Refusal to let WSL keep the bat until the completion of your team in the tournament will result in your team being removed from the tournament and you will be suspended from future WSL play for 1 year with out appeal.

- **Bat Protest Procedures:**

If a bat has a legal sticker on it and you want to protest the bat during a game, you must notify the umpire that you want the bat checked & pay a \$75.00 Cash protest fee, the umpire will stop the game, both team manager's will accompany the bat to the tester, the bat will be tested, if it passes, the protest fee is forfeited and the game will resume. If the bat fails, the player using the bat is out & ejected from the game. The bat will then be kept per the bat testing procedures.

If a bat is used that has not been stickered, batter is out & ejected for using non-approved equipment. The bat may be tested and if passed, bat will be stickered and legal for future play in the tournament. If said bat fails, follow the bat testing procedures.

- **All other rules that are not modified will follow the USSSA rule book.**
